AUSTRALIAN MILITARY FORCESROUTINE ORDERS - PART 1

by  
Major G. V. Johnson  
Arm. Comd 13/33 Aust. Inf Bn. (AIF)

4 Nov. 43

87. USE OF GRENADES, HAND JAPANESE, TYPE 91.

1. This grenade is in common use by the Japanese and quantities have been captured and used by our troops. Tests indicate that the grenade has certain characteristics which may lead to injury in the hands of inexperienced personnel. These characteristics are :-

(a) The delay fuse, marked 4/5 seconds, has been known to burn in much less time. Some tested fuses burned in three seconds.

(b) While the delay fuse is burning, a considerable quantity of black smoke is emitted through the escape hole at the base of the fuse tube, and small fragments of the delay fuse are sometimes forced out. At night, or even at dusk or dawn a definite glow from this hole can be seen.

2. The following precautions will be taken if the grenade is used :-

(a) it will be thrown immediately after the head has been struck ;

(b) When striking the grenade, the hand will be kept well clear of the escape hole at the side of the fuse tube.

88. GRENADES NO 36M- DESTRUCTION OF BLINDS.

1. Due to the possible occurrence of hangfires, as a result of slow burning fuses, it is essential that an interval of fifteen minutes and not five minutes, as previously published, be allowed to elapse before action is taken to destroy blind 36M grenades.

2. An amendment to Small Arms Training, Volume 4, Pamphlet No. 13, "Grenades", incorporating the above change to existing procedure, will be issued in the near future. In the meantime, action will be taken to ensure that this order is brought to the notice of all ranks.

89. COURT MARTIAL.

The following Court Martial result is promulgated for information. A soldier was tried by District Court Martial at Fort Kombla on 12 Oct 43 for two offences of conduct to the prejudice of good order, and military discipline in that he improperly made credit entries in his paybooks, thereby obtaining payment of £2 10 0 and 14/- to which he was not entitled.

89. Cont.

The Court found the accused guilty of the charges and sentenced him to detention for six months. The finding and sentence have been duly confirmed.

90. DISTRICT COURTS MARTIAL

92. UNLAWFUL DISPOSAL OF EQUIPMENT (GRO A716)

1. Attention has been directed to the unauthorised disposal of AMF equipment to members of the Allied Forces and civilians and the unauthorised receipt of Allied equipment by barter and otherwise by members of the AMF.
2. Members are forbidden to part with, dispose of, or exchange by barter or otherwise, any item of AMF equipment or to receive by barter or otherwise any item of Allied equipment without the consent of the commanding officers of their units. Such consent will only be given on the direction of superior authority or when the exigencies of the service render it necessary and reference to superior authority is impracticable.
3. Disciplinary action will be taken against members unlawfully disposing of AMF equipment or unlawfully in possession of Allied equipment, charges being laid under AA17, AA 18 (4) or AA40, whichever is appropriate.

93. DISCIPLINE: PREVALENCE OF THEFT OF MILITARY STORES AND SUPPLIES. (GRO A734)

1. The offences of stealing and fraudulent misapplication of stores and supplies from military depots, installations, transportation services and even from fellow soldiers have increased to an extent which renders immediate and effective action necessary.
2. The use of terms such as pilfering, scrounging etc., to describe such offences tends to obscure their gravity and may cause them to be somewhat lightly regarded. On the contrary, such offences must be viewed very seriously and offenders will render themselves liable to severe punishment.
3. The impression may exist that an isolated instance of theft of military stores and supplies, though a mean and despicable act, does not involve any appreciable weakening of the war effort. Such an impression, if it exists, is completely erroneous. The cumulative effect of such thefts affects seriously the maintenance of the troops in the field, dislocates the supply organisation at all points, involve grave waste of man hours and is, in fact, equivalent in result to that of directly treasonable activity.
4. These considerations impose an obligation of honour upon all members to do their utmost to prevent theft and to assist in every way in the bringing of justice of offenders.
5. As a general rule, no suspension or remission is to be made in respect of any award or sentence imposed upon a member for any offence mentioned in this order.

AUSTRALIAN MILITARY FORCES

ROUTINE ORDER PART 1

by

Major H. B. Moran,

Adm. Comd 13/33 Aust Inf Bn. (AIF)

25 Nov. 43

94. REMITTANCES FROM MEMBERS

1. The attention of all ranks is drawn to the arrangements which exist for a member to send a remittance of cash or undrawn pay to any person resident in Australia or to another member (wherever serving).
2. These arrangements provide that remittances may be made through army channels by members who are serving in localities where money order or banking facilities for remittances are not available with reasonable convenience.
3. Remittances through army channels are effected by the members completing a remittance form (WF131 or WF 131a) and handing the form to the Pay Sgt or paymaster, together with the cash (in the case of a remittance of cash) or the member's pay book (for entry of the debit in the case of a remittance of undrawn pay).
4. A member sending a remittance should take particular care to see that all details are clearly and legibly set out on the remittance form. This applies especially to the name and address of the person to whom remittance is to be sent.
5. The member will ensure that he obtains a receipt from the pay sergeant or paymaster for any cash handed over.

95. PREVENTION OF FIRES. (Second Aust Army RO Q347).

1. Attention is directed to the necessity for increased fire precaution during the summer months.
2. COs of units will ensure that:-
  - (a) All grass and undergrowth in the vicinity of camp area is kept cut.
  - (b) Fire orders are read to all ranks once a week and that they are understood.
  - (c) Fire fighting equipment is sufficient and maintained in good order.
  - (d) Fire picquets are practised in their duties.
  - (e) Troops are trained and organised to combat bush fires in accordance with GRO A630 of 4 Dec 42.
  - (f) A copy of standing orders for Fire Services Aust together with amendments is in their possession.
3. Second Aust Army Routing Orders Q13/43 and Q55/43 are hereby cancelled.

96. DISTRICT COURT MARTIAL.

N884579 Pte. D. J. Walker, 13/33 Aust Inf Bn was tried by District Court Martial convened by Major General H.W. Lloyd, G.O.C. 1 Aust Div by order dated 3 Nov 43 and held at ST. IVES on 11 Nov. 43.
