Where the allottee resides in an enemy or enemy occupied country, the allotment may be dated back to 25 AUG 44, provided that this does not place the members pay account in debit.

2. Where a member has made an allotment of not less than the standard rate, dependants allowance will be payable, in accordance with War Financial Regulations -

- (a) where the allotment is payable in a country forming part of the sterling area - to any person dependent on the member; or

3. Any such article will be cleaned only when it is essential and in such case will be washed in lukewarm soapy water and lightly scrubbed. (GRO 143/45).

6. PROVISIONAL ORDER FOR ISSUE OF THE RIBBON OF THE 1939/43 STAR

Hereunder are extracts from GRO A329/44.

1. The issue of instructions regarding the eligibility of members of the AMF for the 1939/43 Star has been held over pending determination of the areas in which Australian Army personnel may qualify for the award. Final determination of the full list of such areas cannot yet be completed, but, in order to avoid delay, this order is promulgated to cover those cases in which eligibility has already been determined. As further areas are approved, particulars will be promulgated.
2. In the Army, the 1939/43 Star will rank after the Africa Star (see GRO A30/44). No person may receive both the Africa Star and the 1939/43 Star. No person who is entitled to the Africa Star will be awarded the 1939/43 Star.
3. The ribbon of the 1939/43 Star is dark blue, red and light blue, in three equal vertical stripes. The dark blue stripe is intended to mark the service of the Naval Forces and of the Merchant Navy, the red stripe that of the Army, and the light blue stripe that of the Air Force.
4. The ribbon of the 1939/43 Star will be worn with the dark blue stripe furthest from the left shoulder immediately after the ribbons of prior war medals.
5. To qualify for an award, an individual must have been on the strength of and have actually served with a unit or formation in one or more of the qualifying operations or commands specified in para 6 and, if service is in accordance with subpara (a), (b) or (c) of para 6, for the period set forth in that sub-paragraph. An individual will not be regarded as having been on the strength of a unit or formation unless he was taken on the strength by name in the routine orders, part 21, of the unit or formation concerned within a war establishment vacancy or supernumerary thereto.
6. Subject to the provisions of this order, the 1939/43 Star will be granted, to begin with, to personnel who performed service in accordance with the following conditions:-

(a) Service in NZ, between 7 MAR 42 and 31 DEC 43 for an aggregate period of six months.

- (b) Service on a journey through dangerous waters to NG may count towards the qualifying period, provided that the journey was completed and the date of arrival falls within the dates specified. In this case, time will run from the date of embarkation. Personnel who embarked for a journey of this nature, but did not complete it owing to death or wounds or injury resulting from enemy action will qualify under para 6(c) (ii) or (iii) of this order.
- (c) Any service under sub-paras (a) and (b) of this paragraph, during which the member has, before completion of the full qualifying period of six months, either -
- (i) won an honour, decoration or mention in despatches; or
 - (ii) died on service; or
 - (iii) been evacuated as a result of wounds or sickness arising out of service, the wounds or sickness not being due to misconduct.

7. (a) Any member who considers himself entitled under this order, may make application to his CO, on a pro-forma to be provided.

8. When an application has been endorsed showing that the member may wear the ribbon, the member's CO will cause an entry to be made on the inside of the back cover of the member's Record of Service Book (AAB 83) as follows:-

"Approved to wear ribbon of 1939/43 Star, subject to later verification by 2nd Echelon, LHQ."

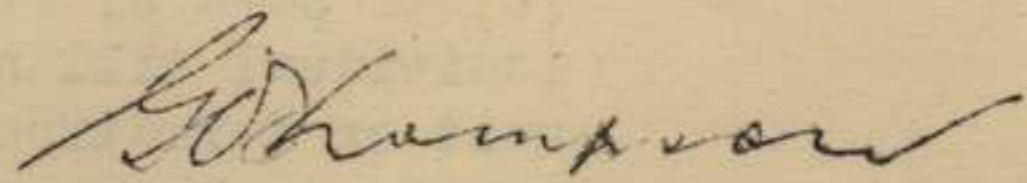

The officer authenticating the entry will sign it and write after his signature his army number and appointment.

9. The temporary authority issued by the CO for the wearing of the ribbon does not constitute an authority for the award of the Star, which, in all cases, is subject to later verification by 2nd Echelon, LHQ.

10. Disciplinary action will be taken against any member who, without reasonable cause, makes any untrue statement in connection with an application under para 7 of this order.

11. No member will wear the ribbon of the 1939/43 Star unless the approval for him to wear it is verified by a duly authenticated entry in his Record of Service Book, in accordance with para 8 of this order.

12. Issue of ribbon - A free issue of 2 $\frac{1}{2}$ inches of the material - sufficient to make up 2 medal ribbons - will be made to all ranks who are temporarily authorised to wear the ribbon in accordance with para 8. Any issue of the ribbon will be recorded on page 10 or 11 of the member's Record of Service Book. When the ribbon is worn without the medal, it will be $\frac{2}{3}$ inch in length.

5. AMF PRISONERS OF WAR AND INTERNEES, ETC

1. For the purposes of the order, a "recovered prisoner of war" means any member of the AMF who has been captured, detained or interned by the enemy and has subsequently been repatriated, exchanged or in any other way released, and includes escapees.

Duty to avoid capture

2. Every member of the AMF will, at all costs, endeavour to avoid falling into enemy hands. If, however, a member is taken prisoner, he will obey the directions given in this order which are applicable to all ranks at all times and under all circumstances.

Duty during interrogation by enemy

3. During interrogation, a member will supply his number, rank and name only. He will remain courteous and maintain a military bearing, indicating that the obligations of any soldier preclude his answering any other questions.

Indirect methods of obtaining information

4. Every prisoner of war will, at all times, be on guard against carelessness, over-confidence and enemy trickery. Such ruses as the use of agents as nurses or of other agents as bogus Red Cross officials or prisoners of war will always be expected. Even in conversation with known and trusted friends extreme caution will be shown, as the conversation may be overheard by eavesdroppers or concealed listening devices.

Broadcasts over enemy wireless and enemy propaganda

5. A member of the AMF who becomes a prisoner of war will not transmit messages over enemy wireless, except simple messages of the type permitted in correspondence: for example, messages relating to the health of the prisoner of war himself and greetings to family and friends. He will not in any way lend himself to enemy propaganda by taking part in wireless broadcasts (other than for the purpose of transmitting a message of the type described above) or in any other way whatsoever.

Parole

6. (a) A member of the AMF when taken prisoner of war or interned by an enemy or neutral power will not give his parole, except a parole of the limited nature described in para 7 of this order.

(b) The term "parole" means an undertaking not to escape given in any form whatever or however described.

. :)

7. (a) Parole may properly be given to obtain temporary release from confinement for a few hours on odd occasions for specific purposes: e.g. exercise, recreation or medical treatment. Parole so given will be clearly limited to the period of temporary release.

(b) Parole in respect of a warrant officer, non-commissioned officer or other rank can be given only through a commissioned officer.

(c) The terms of any parole given will be observed with the greatest strictness for the period for which it is given.

Escape

8. It is the duty of every Australian prisoner of war and internee to escape at the first opportunity, regardless of any instructions to the contrary issued by or in any prisoner of war or internment camp or by the detaining power and regardless of any reprisals which might be taken against the remaining prisoners of war and internees.

9. (a) Except as provided in paras 10, 11 and 12 of this order, a recovered PW will not give any information in conversation, correspondence, or in any other way whatever to any person regarding the escape of himself or any other person from detention or internment, or about the means whereby he or any other person avoided capture by the enemy.

(b) Such information would be useful to the enemy, would prejudice the chances of others in similar circumstances to escape and would endanger the lives of those who have given help at any stage.

(c) As soon as possible after recovery, every recovered PW will sign an undertaking in the form set out in para 13 of this order. The officer responsible for the interrogation mentioned in para 10(a) of this order will ensure that this is done and will forward the signed undertaking to the nearest 2nd Echelon component for despatch to the home Records Office of the member where it will be filed in that member's personal dossier.

Interrogation

10. (a) A recovered PW will disclose all details of his escape, evasion of capture, release or recovery to interrogating officers authorised by the Director of Military Intelligence (DMI).

(b) The officers authorised by the DMI are -

- (i) Any GSO, Grade 1, on army or higher formation HQ.
- (ii) Any GSO not below Grade II on corps or div HQ.
- (iii) GSO, Grade III (Intelligence), on div HQ.
- (iv) Any officers designated by the abovementioned general staff officers.

(c) Subsequent to interrogation pursuant to para 10(a) of this order, the Director of Prisoners of War and Internees or, in his absence, the senior "A" Branch officer on the spot acting on his behalf, is authorised to interrogate on any matter other than those referred to in para 10(a) of this order.

(d) No member other than one of the officers listed in para 10(b) of this order will question any recovered PW on any matter referred to in para 10(a) of this order. Nothing in this paragraph will, however, preclude any officer who is required in the course of his duty so to do from interrogating a recovered PW for information relating to missing and prisoner of war personnel and to the locations of any known burials.

(e) The interrogation procedure will conform to LHQ Intelligence Instruction No 22 dated 15 JUN 45.

Lectures

11. (a) If a recovered PW desires to lecture on his experiences, he will not disclose any information about his own escape, evasion of capture, release or recovery, or that of any other person unless the script of the proposed lecture is first approved by the DMI or his representative.

(b) A recovered PW may, however, lecture on personal matters connected with his detention or internment to War Relatives' Associations and the like, but must exercise the greatest care to ensure that his lecture does not disclose any information which could be useful to the enemy, would prejudice the chances of other prisoners of war escaping or would endanger the lives of those who helped the lecturer at any stage during his escape.

(c) If it is considered desirable for service reasons that a recovered PW should lecture on the means employed by him in his escape, the decision as to the desirability will be made by the Director of Military Training or his representative and the text of the proposed lecture will be delivered to the DMI or his representative for approval and censorship.

Interviews with the Press

12.
