We are experiencing difficulty in getting prints of official

outside darkrooms from doing the work. We are now increasing our
own darkroom facilities but it is taking us time to obtain the
equipment.

We regret that we cannot at present indicate when the
print(s) will be forwarded but we are dealing with all orders in
their turn and will despatch the print(s) as quickly as we can.

G.O's REPORT FOR THE MONTH OF JUL 1944

1. GENERAL. July was spent in MADANG area preparatory to returning to mainland on leave. Bde H Q, 57/60 and 58/59 Aust Inf Bns sailed on H M A T "KATOOMBA" for Australia on 26 July.
2. TRAINING The month was spent in training, but training was much interrupted by working parties on the Roads and for the Navy. Bn parades were held daily when possible. TEWTS were held twice weekly for Officers at Bde H Q. 100% improvement took place in Officers general knowledge, confidence and ability to give orders. TEWTS were conducted for NCOs and men, with minor exercises up to Pl standard in patrolling, defence and attack. Refresher courses including T O E T completed a much broken up month. Many march pasts took place in training for a march past to Gen SAVIGE.
3. SPORT Swimming classes taught 92 out of 126 non swimmers how to swim. Coy sports were held each Saturday afternoon with an hourly period daily for all men in the Bn. American Volley ball was very popular, being played with fair ability by many men who had never taken part, in civilian life, in sport of any description after leaving school. The Unit distinguished itself by winning most of its contests at the weekly Bde boxing tournament. Cpl HARBISON, Ptes WATERS, PERRY, DUPEE and KINANE were successful under the able coaching of Lt FOX and Pte Slim Porter.
4. LECTURES Advantage was taken of the presence in the area of Army Education Officers and staff to hold many lectures. Security, the referendum, world affairs and general educational lectures were enjoyed by all. In addition, Maj ROSEFIELD of 15 Aust Fd Amb gave pre marriage lectures which were sincerely appreciated by both married and about to be married alike.
5. AMENITIES The Unit has its first issue of beer since entering New Guinea at the end of the month. A special issue was made of a bottle per man so that the men would not miss out as embarkation was anticipated on 1 Aug.
6. VISIT of G.O.C. NGF. The highlight of the month was the inspection of the Bn its march past and salute taken by Lt Gen SAVIGE with Maj Gen RAMSAY G O C 5 Aust Div. An old 24 Bn Officer of 1914-18, Gen SAVIGE completed the day by honouring the Unit with an overnight stay in its lines, and delighted the Officers by his description of the DUNSTER FORCE operations.
