Appendices

D. R. L. No. 2313/3rd S

2/30 Bn. AIF. CASUALTY LIST.

DIED OF OTHER CAUSES.&

BATTLE CASUALTIES

This document is from a collection of records presented to the War Memorial by Brigadier F.G. Galleghan in May, 1958. Because in the normal course of events the record would have formed part of the 2/30th Battalion war diary, it was decided in processing the collection, that the most suitable disposal action would be to place it with the diary.

For further particulars of collection see A.W.M. File 749/36/1 DRL 2313 (3rd Series).
