SECURITY AND CENSORSHIP:

GRO G.371.✓✓

PART A - INTRODUCTION.

1. Interpretation:-

(a) For the purposes of this order -

"Australia" means the Commonwealth of Australia, the Territory of Papua and the Mandated Territory of New Guinea;

"communication" means any letter, registered letter, letter-card, field service postcard, green envelope, newspaper, parcel, packet or telegram;

"member" means a member of the Australian Military Forces;

"prohibited information" means any naval, military or air force information which has not been published and which may be directly or indirectly of use to the enemy if received by him.

(b) The provisions of this order will not apply to any communication prepared or despatched by a member in the course of his duty.

(c) Part B of this order deals with security and will be observed by all members at all times.

Part C sets out the type of information which must not be written and the type of article which must not be enclosed in communications and will be observed by all members at all times.

Part D contains the orders which will be followed when members are subject to unit censorship and only affects those members to whom the provisions of paras 7 and 8 apply.

PART B - SECURITY

2. Security of information:-

A member will not communicate any prohibited information except for the purpose of carrying out his duty. A breach of this provision is also an offence under the Defence Act 1903-1941, punishable by a fine or imprisonment or both.

All such diaries and notebooks will be clearly marked as such and will show the regimental number, name, rank and unit of the owner.

After examination they will be sent by Det 1 Aust Fd Censorship Coy or Base Censor to Echelon and Records of the L of C area of enlistment of the owner of the diary or notebook for storage and safe custody.

(d) A similar procedure will be followed for disposal of official notebooks kept by officers and other ranks containing technical notes or records of details connected with their duties, notes of army schools etc (except to the extent to which other official unit arrangements for the safe custody of such notebooks are made with the approval of the formation concerned).

(e) Diaries and notebooks may be returned to the owner on application to the Echelon and Records of the L of C area of the member's enlistment, after return to Australia, provided that such diaries and notebooks have been approved by the OC Det 1 Aust Fd Censorship Coy or Base Censor for release. If such diaries and notebooks are not approved for release, they shall not be returned until after the termination of hostilities.

50. LIFE ASSURANCE POLICIES TAKEN OUT BY MEMBERS OF THE FORCES.

1. Life assurance policies taken out by members of the forces on their own lives after September, 1939, usually contain a war clause which imposes ~~xxx~~ upon the member assured, if he wishes to remain covered under his policy for the full sum assured while serving outside the Commonwealth, the obligation of -

A member who desires to remain covered while serving outside the Commonwealth should ascertain from the office concerned to what areas the existing cover extends and what rates of war loading premiums are required should he serve outside those areas.
3. If the member subsequently embarks for service outside the Commonwealth, he may arrange through army channels -
 - (a) for payment of the amount of extra war loading premiums (as previously ascertained by him) to the office concerned, by means of a remittance of undrawn pay; and
 - (b) for notice of the date of embarkation to be given to that office by the DFO when paying the remittance.The member will attach to the remittance form a letter requesting the giving of the notice mentioned in sub-para (b) of this paragraph.
4. For security reasons, direct notification by members to life assurance offices of their impending or actual embarkation is strictly prohibited. (GRO F412/44)
