AUSTRALIAN MILITARY FORCES

ROUTINE ORDERS - PART 1

by
Major G.V. Johnson
Adm. Cond 13/33 Aust Inf Bn. (AIF)

1 Aust Div.

78. MT SPEED LIMITS. (1 Aust Div RO A432)

MT drivers should bear in mind at all times that they are subject to the civil speed limits:-

Recently the following fines were imposed at the Traffic Court, Sydney, upon Military drivers for exceeding the civil speed limit while on duty:-

- (a) Spr. A. J. Morgan 45 mph £5
- (b) Pte. A. H. Edwards 46 mph £11.

79. POWERS OF SENTRIES AND GUARDS. (GRO A648)

1. Regulation 8A of the National Security (General) Regulations (Statutory Rules 1942, No. 374) provides that, without derogating from or restricting the existing powers or rights of sentries and guards, a military sentry or guard stationed or posted at, on, in, or in the neighbourhood or vicinity of, any prohibited place, protected area, controlled area, or any premises used by the Commonwealth or used for defence purposes or for essential services, or any vehicle, vessel or aircraft used by the Commonwealth, or any enclosed wharf or picking-up place, or any merchant vessel lying in port, or any road, pathway or waterway, specified in an order by the Minister, which passes through or near a prohibited place or work of defence, may be armed, and may -

- (i) use his weapon against, or otherwise attack, any person who, in disregard of a warning given by a sentry or guard, approaches, enters, leaves, or passes over or in the vicinity or neighbourhood of, or attempts to approach, enter, leave or pass over or in the vicinity or neighbourhood of, that place, area, premises, vehicle, vessel, aircraft, wharf, picking up place, road, pathway, or waterway, or who, after being arrested for so doing, escapes; and
- (ii) use his weapon against, or otherwise attack, any person attacking him or who is reasonably suspected of being about to attack him.

2. There are, however, certain principles which must guide all sentries and guards in the execution of their duty as such, and in the exercise of the right to resort to arms.

3. These principles are:-

- (a) Sentries and guards will be ordered to take any action required to ensure the safety of their posts or to defeat the activities of enemy, or suspected enemy agents.

79. Cont.

- (b) If necessary, they will fire upon or otherwise attack any persons threatening the safety of their posts or engaging in hostile actions.
- (c) Before firing upon any person, the sentry or guard will, except in an urgent case of self-defence challenge that person to "halt". If that person does not halt, the sentry should challenge him again with "Halt or I fire". If he does not halt and no other means are available for stopping him - as for example, by calling on the rest of the guard - it is the duty of the sentry to shoot.
- (d) The sentry will use his intelligence and sense of responsibility in choosing whether he will shoot or not, and he must be careful not to allow any suspected person to approach so close that he can be rushed and overpowered.
- (e) Guards of Enemy prisoners of war. An enemy prisoner of war attempting to escape may be fired upon, but a previous summons to surrender will be given if possible.
- (f) Guards of members of the forces in custody.
 - (i) An escort or guard is not justified in using his weapons merely for the purpose of preventing another member from escaping from custody and if he so uses his weapons he may render himself as well as any officer or NCO under whose orders he acted, liable to be charged with murder, manslaughter or incitement to murder.
 - (ii) If a member in custody attempts to escape, the escort or sentry will immediately raise the alarm and give chase. He may call upon any passer-by to assist him in apprehending the escapee.
 - (iii) An escort or guard may be justified in using his weapons when a member in custody resorts to violence. In such circumstances an escort or guard may meet force with force, but care must be taken to use no more force than is necessary to overcome the violence offered. Hence, even when violence is offered to an escort or guard it will only be as a last resort that the use of weapons will be justified.

4. Orders for guards and sentries will be framed in conformity with the above and guards and sentries will be suitably instructed as to their powers and duties.

80. GIFT PARCELS FOR UNITED KINGDOM ADDRESSEES DUTY FREE CONCESSION

- 1. A concession has been sanctioned by the United Kingdom authorities which permits members of the AIF and the British Army, serving in Australia, to send to their relatives and friends in the United Kingdom four (4) gift parcels a year, duty free. The usual postage rates are payable.
- 2. Such parcels must not weigh more than 5 lbs. each nor exceed 30/- in value, and contents may not include:-
 - (a) any drinkable spirits;

80. Contd.

- (b) more than $\frac{1}{2}$ lb total weight of tobacco, including cigars and cigarettes (200 cigarettes or 50 cigars = $\frac{1}{2}$ lb), or any tobacco goods marked "H.M. Ships only";
 - (c) more than $\frac{1}{2}$ pint of scent;
 - (d) more than 2lbs of any one foodstuff.
3. Special Customs Declarations (Army W5192 will be affixed to the parcels; these will be secured through normal stationery channels for issue, under Unit arrangements, on a basis of a maximum of four (4) a year to any one sender. A comparatively few forms should suffice for needs of any one Unit, and each form issued therein will have entered upon it the recipient's number name and be signed by the issuing officer in the space provided.
4. It is stressed that full duty will be charged on the contents of parcels which infringe restrictions expressed in para. 2.

81. PROFICIENCY PAY.

1. Approval has been given for the payment of proficiency pay of sixpence per day to every male member of the AIF who holds either the appointment of lance corporal or lance bombardier, or the rank of private or its equivalent, and who is not in receipt of pay prescribed for a qualified parachutist or a tradesman or specialist.
2. Proficiency Pay will be paid as on and from 1st July, 43 to a soldier who-
- (a) at that date had completed at least six months' service;
 - (b) for six months immediately prior to that date had been of good conduct; and
 - (c) on the first occasion subsequent to that date on which he is examined, passes the prescribed examination.
3. If a soldier who is in receipt of proficiency pay commits a breach of good conduct, he shall automatically forfeit his proficiency pay on and from the date of his conviction or the award against him.
4. A soldier who has forfeited his proficiency pay by reason of a breach of good conduct will, on completion of six months' service with good conduct, be again be entitled to proficiency pay without the necessity for further examination.
5. Proficiency pay may, at any time, be withdrawn by the CO if he considers that there has been a falling off in the efficiency of a soldier, and such soldier will be required again to qualify by examination before proficiency pay can be restored.
6. A lance corporal or lance bombardier or private or equivalent who is in receipt of proficiency pay will cease to be entitled to proficiency pay on his promotion to substantive or acting NCO rank (corporal bombardier or higher) as on and from the day of such promotion.
7. A soldier will not forfeit his proficiency pay by reason of his-
- (a) admission to hospital;
 - (b) becoming a prisoner of war;

81. Cont.

- (c) being posted as missing;
- (d) medical reclassification;
- (e) transfer to another Unit.
