OFFENCES AND DISCIPLINE

11. During August, 8 members were charged with the following offences.

- Loses by neglect his services necessaries (1)
- Act to the prejudice (1)

One OR was placed under close custody until a DCM could be convened on 3 of the above charges. The soldier remained in custody for 26 days and was found guilty of one charge and not guilty of the other two. Award was \$5 fine. He was defended by Lt Delaney of 2 AOD.

An important contributing factor to the increase in the number of offences has been the need to employ the DSM full time as the WO 2 I/C Traffic because of the RTA of WO2 Ward on compassionate grounds. With the arrival of the new Traffic WO and the return of the DSM to Regimental Duties the problem has been overcome.

CRS FOR JEPARIT 17

1. The depot adopted the same discharge procedure as for the Jeparit voyages 15 and 16 e.g. A work day of twelve hours. Traffic worked two twelve hour shifts.

2. Statistics taken over the period 22 Aug-31 Aug 68, are as follows.

a.	CRS's raised against Jeparit 17	857
	CRS's cleared as at 1700hours 31 Aug 68	<u>685</u>
	to be cleared	172

b. Note that this time, a longer time period was recorded before all the stores were received off the Jeparit. This is believed to be due to the mode of stowing of Centurion tanks and stores. The Jeparit sailed for Cam Ranh Bay on the 25 Aug 68 to load the tanks and other stores. All stores arrived in the depot on or before the 31 Aug 68, completing the CRS action procedure on 31 Aug 68.

c. It is interesting to compare CRS's raised and cleared, over the last three Jeparit voyages.
