16. Malaya Area Cross Country

- a. 3 RAR has entered a team in the Malaya Area Cross Country.
- b. The race will start at 1715 hrs 19 Feb from the playing fields below the 1 SG Junior Ranks Beach Club. The finish will be in the same area.

 - b. The team was unfortunate to meet the competition leader in their first game after returning from leave; but put up a creditable performance. It is said that Pte EDWARDS (D Coy) was the most effective player for the KIWIS - being involved in a collision which resulted in 2 of our players leaving the field.
18.
 - a. Composite No 2 has continued on their winning way with another good win over 16 Fd Amb.
 - b. The score was 48 points for us and nil for 16 Fd Amb. Details are as follows:

Basket Ball

24. The Malaya Area Semi Final between 3 RAR and 1RNZIR was played on 27 Jan 65. Unfortunately it was too soon after returning from leave for the 3 RAR team. However under the guidance of player coach Sgt MARTIN the team put up a very creditable performance against the seasoned Kiwi team.
25. At the end of the first half 3 RAR were down 15 - 3 but made a comeback in the second half when they scored 19 points to the Kiwi 17; however the overall final score cost us the chance of a trip to Hong Kong.
26. Sgt MARTIN scored some very nice baskets for his first run with the team. Other outstanding players were BERNICK who spent his time weaving through the legs of the opponents and Pte MITCHELL (Admin Coy) who defended very well throughout the evening.

NOTICES

1. INCREASE IN MEAL PRICES

Since the RAAF assumed control of the RAAF Club (Australian Hostel) in January 1962, meal charges have remained unchanged. Since the start of Indonesian confrontation, a major source of supply of many foodstuffs ceased, and some food prices commenced to increase. In addition, there was a normal increase in other food lines due to increased manufacturing costs.

These facts are well known to members maintaining families in the area, but no action was taken to increase meal prices at the RAAF Club until the contractor made an official approach to the Base. The contractor was asked to justify the increases he requested by a detailed analysis of costs. This he found difficult to do and the Base Catering Officer was asked to state what increased there had been during the past 18 months in the cost of preparing meals on the Base. A 10% increase in contract prices during the past two years was revealed and it was emphasised that the increase would be greater in the case of a contractor with a small turnover, as is the case at the RAAF Club.

As a result of this advice, it was considered that an increase in meal prices was fully justified, and it was decided that the increase would be most fairly spread by the following charges, which are effective from 18 Jan 65.

(a) Casual Rates (Non-Residents)

Breakfast	\$1.50
Morning Tea	\$0.50
Lunch	\$2.50
Tea	\$0.50
Dinner	\$3.50

(b) Daily Rates (Residents)

Adults and children over 11 years	\$7.00	per day
Children 9-11 years inclusive	\$5.50	per day
Children 1-8 years inclusive	\$3.70	per day
Children under 1 year (taking food)	\$1.40	per day

GENERAL INSTRUCTION
COACHING AND EXAMINATIONS FOR FIRST
PROMOTION AND PROMOTION TO SGT

Reference 3 RAR 21 dated 13 Jan 65.

General

1. It is intended to hold examinations for first promotion and promotion to Sergeant in the near future. It was intended to conduct a central coaching course but in view of recent commitments this may not now be possible.

Aim

2. The aim of this instruction is to:-
- a. Outline the scope of the examination so that coys can start their own coaching as they consider necessary.
 - b. Notify students of the scope of the subjects on which they will be examined.

Unit Coaching

3. If it is at all possible a unit coaching course will still be conducted; but it appears unlikely at this stage. Coys should go through the scope of the examinations and select subjects which students may require coaching on, and coach candidates accordingly. It is suggested that because, in the time available, all subjects cannot be covered, that a form of compulsory study programme be given candidates on those subjects which will not be covered in coy trg.

Reference Pamphlets

4. These as always will be in short supply. Demands should be made as soon as possible to WO2 CLARKE (Trg Office). Requests for additional AMR&O etc have been made to HQ Aust Army Force, FARELF.

Examinations

5. These are being set at the moment so that if necessary they can be conducted at short notice. It is possible that the scheduled examinations will be the last set of examinations at this level that the unit will be able to hold in their current tour. In view of this, and the opportunities now available in the service for promotion for those with qualifications every opportunity should be given to soldiers to pass. The standard of the coaching will be reflected in the results.

Scope of Examination

- 6. Attached as Annex A - Subject A.
- 7. Attached as Annex B - Subject B.
(Practical subject for both examinations is DEFENCE)
- 8. Attached as Annex C - Subject C.
