Swimming

- The unit swimmers have started training and on present form have a good chance of winning the 28 Bde Sports.

Daily Routine

Amend time of Unit Sick Parade on weekdays from
0630 to 0730 hrs.

RESTRICTED

365. FEDERAL ESTATE DUTY CONCESSION

1. There is a special provision in the Estate Duty Law which provides a special deduction of £5,000 from the estate where the estate passes to a widow, children, grandchildren, parents, brothers, sisters, nephews or nieces, where a soldier or member of the Forces dies as a result of disease or injury contracted or received if the death takes place during his term of service or within three years afterwards.

2. This deduction applies, broadly, to any operations overseas that are covered by the Repatriation provisions - it would therefore apply to servicemen in MALAYSIA and VIETNAM.

3. The deduction is additional to the ordinary deduction, which applies to any estate, of the first £10,000 of the estate (up to £50,000). Therefore, the total deduction from a "normal sized" estate of servicemen coming within the provisions would be £15,000.

(Austarm RO No 16).

366. OUT OF BOUNDS AREA (VEHICLES)

It has been reported that vehs are driving across the hardstanding and sealed area of the new helicopter hangers, pads etc and that this is causing rapid deterioration. With effect from the date of this order NO veh will drive onto the pads or sealed area but will keep to the roads.

367. JELLY FISH STINGS

Swimming in seawater at MALACCA will almost certainly result in JELLY FISH STINGS particularly at this time of the year. The stings can be fatal and certainly incapacitate the victim for 48 hours. All members indulging in activities, such as water skiing or sailing where immersion in seawater is possible are to wear a protective jacket and long trousers.

368. NIGHT FIRING - TERENDAK GARRISON

Listed below are night and day firing activities for units in TERENDAK Garrison :-
