PAYMENT OF CONSERVANCY AND DOMESTIC REFUSE FEES

1. On Penang Island there are two civic authorities which supply various services to householders, namely, The City Council of Georgetown and The Rural District Council Penang Island. The City Council is responsible for the supply of electricity and water for the whole of Penang Island including the City of Georgetown, but is responsible for sewage and domestic refuse clearance only in the City of Georgetown. The Rural District Council are responsible for sewage and domestic refuse clearance for those areas outside the Limits of the City of Georgetown.

2. Unlike Australia, charges for water, sewage and domestic refuse clearance are not included in the rates payable by the owner of a house, but under the local Municipal Ordinances are payable by the occupant. It is for this reason that the amount of 7 pence (Aust) per day is included as an element in the Malaya Allowance payable to all married accompanied members serving in Singapore/Malaya. All Australian married accompanied service members living in War Department hirings or in private hirings in Malaya are required to pay the various sewage and domestic refuse clearance fees levied by the local civic authorities.

3. The monthly fees on Penang Island are as follows:-

(a) City Council

(i) Conservancy - \$2 per water closet

(ii) Domestic Refuse Clearance - Nil

NB The above fees are in respect of houses located inside the Georgetown City Limits.

(b) Rural District Council

(i) Sanitary Installation Maintenance Fees for the maintenance of every sewage purification plant at the following varying rates:-

\$1.25 per water closet - Where effluent from the septic tank is dispersed in soakage trenches or seepage pits or directly discharges into an approved outlet.

\$1.50 per water closet - Where the effluent from the septic tank is passed through a percolating bed or beds.

\$1.75 per water closet - Where electric power is used in pumping effluent prior to treatment in a percolating bed.

(ii) Domestic Refuse Clearance - \$1.00

4. For houses located within the limits of the City of Georgetown the City Council includes all charges for conservancy on the monthly Electricity and Water Account. However the Rural District Council do not send out accounts for the Sanitary Installation Maintenance Fees or the Domestic Refuse Clearance Fee. The occupant of the house is required to pay these Fees in advance half yearly, on the 1st January and 1st July at the Office of the Rural District Council, Beach Street, Georgetown (opposite the Chartered Bank).

5. It is known that some Australian Army families have not paid their fees to the Rural District Council. All families who live outside the limits of the City of Georgetown are now requested to pay the fees which were due on the 1st January 1959, and to continue to do so on each subsequent 1st July and 1st January. Separate accounts will be submitted at a later date for fees owing prior to 1st January 1959, but families are requested to pay immediately the current fees which were due on 1st January 1959. Failure to do so may lead to legal action being taken by the Rural District Council.
6. Refunds of fees paid in advance are obtainable for the Rural District Council in the event of vacation of a house within the half yearly period.
7. Attached as Annex 'A' is a list of houses located outside the limits of the City of Georgetown showing the monthly fees and the total amount to be paid in advance each 1st January and 1st July.
8. Attached as Annex 'B' is a list of houses located inside the limits of the City of Georgetown. Occupants of these houses receive monthly accounts from the City Council and are not required to pay any further fees to the Rural District Council.
9. Families occupying private hirings are not listed, but they are required to pay the appropriate fees unless they have an agreement that the Landlord is to pay.
10. Families occupying War Department married quarters at Minden Barracks, Batu Uban and Fort Auchry are not required to pay Sanitary Installation Maintenance Fees or Domestic Refuse Clearance Fees to the Rural District Council as these services are arranged in those areas by the War Department.

NOTICES

MOVEMENT OF CAR FROM SINGAPORE TO SYDNEY

(Vauxhall Velox)

1. The following are the experiences of a member of the ARA who moved a car from SINGAPORE to SYDNEY.

- (a) All arrangements were made through the Automobile Association of SINGAPORE.
- (b) Met in SYDNEY by NRMA representative who briefed me on the procedure for collecting my car. Briefly the procedure was :-
 - (i) Report to NRMA Customs Agent who handles all details.
 - (ii) Report to bank to finalize details of bank guarantee for bond (This was arranged by me).
 - (iii) Accepted NRMA offer to provide driver to drive my car from wharf to motor Registration Branch.
 - (iv) My ship berthed at 0800 hrs 19 Jan 59 and I collected my car from the wharf at 1315 hrs 20 Jan 59.
 - (v) The car was inspected by NRMA and shipping agent for damage. In this case the two wings were very slightly dented and a small dent on the roof. The cost of repair is quoted as £8/10/- (Aust).
 - (vi) The registration procedure at ROSEBERY was completed by 1600 hrs 20 Jan 59.

.....3

(vii) Costs associated with car:-

(a) SINGAPORE

Freight	₹ 630.00
Marine Insurance	50.25
Loading	15.00
Extract from Register	5.00
AA Fee	<u>50.00</u>

₹ 722.25 £106

(b) SYDNEY

NRMA Customs Agent	£ 16/16/8
Registration	9/ 1/0
Third Party Insurance	5/ 0/6
Comprehensive Insurance	14/18/6
