GENERAL

2. *Entries will be made daily* on AF C2118, each entry being initialled by the officer detailed to keep it.

3. Commanders Diaries will conform with the rules for drafting orders given in "Staff Duties in the Field", Chapter 5, Section 1.

RESPONSIBILITY

During Non-operational Periods

If there has been a change of command since the last report, the date of assumption by the new commanding officer will be included.

8. The annexes will be assembled in the groups shown on the cover. If there are no enclosures for an Annex NIL will be entered on the cover. If additional annexes are convenient for a particular headquarters, the relevant papers should be grouped as annexes starting at B.

9. Documents concerned with future planning for operations will form Annex "Z", "TOP SECRET Supplementary Diary" of the formation originating the document. It will be prepared and disposed of as shown in paragraphs 17, 18 and 19 below.
