144. MOVEMENT TO AUSTRALIA
TRAVEL ACCOMMODATION FOR FAMILIES

1. Prior to return to AUSTRALIA each accompanied member submits a questionnaire (Form A6) which indicates his accommodation requirement. Before the family leaves this requirement is checked by the Adv Records Det, HQ Aust Army Force.
2. Despite these precautions it has been found that many families, on arrival in AUSTRALIA, do not use the accommodation arranged.
3. All accompanied members should be warned that if they do not use accommodation arranged for them in AUSTRALIA that they will be liable for any cancellation costs involved.

145. HIRINGS - CONSERVANCY CHARGES

1. The Penang Rural District Council has notified again that many Australian occupants of Australian hirings in Penang have not paid conservancy charges due to the Council.
2. As outlined in the previous instruction the relevant Council Bye Law requires the occupier to pay the sum of \$1.50 per month W.C. for the maintenance of the sewerage purification plant, plus a monthly charge of \$1.00 for garbage disposal.
3. An element is included in the Malayan Allowance to assist in meeting the cost of sanitation. The member therefore has received financial assistance for these charges and it is his responsibility to pay the accounts.
4. Non-payment will result, apart from any civil action the Council might take to recover, in the Council requiring deposits from new arrivals to cover future payments. This could mean an inconvenient outlay of cash for these personnel. In this connection it is emphasised in view of paragraph 3 that HQ Australian Army Force FARELF has no intention of indemnifying the Council against bad debts or deposits.
5. The occupant of the house is required to pay these Fees half yearly in advance on the 1st January and 1st July at the Office of the Rural District Council, Beach Street Georgetown (opposite the Chartered Bank). Families who owe fees and families who have recently moved into hirings are reminded of their obligation in this matter and are strongly urged to pay the amounts owing as soon as possible.

CHARGES FOR WATER CONSUMED BY AUSTRALIAN MEMBERS LIVING IN WD MARRIED QUARTERS - PENANG

1. For some time discussions have been taking place to establish reasonable consumption rates and charges for water supplied to Australian members occupying WD Married Quarters in PENANG. Very briefly the situation may be summarized by stating that AUSTRALIA must pay for the water supplied at cost to the WD. Investigation has revealed that water in PENANG costs the WD approximately 90 cents per 1,000 gallons.
2. This figure has been contested as being too high and in order to arrange payments by members before the relief of the force and at the same time to protect the interest of the members concerned the following agreement has been reached:-
 - (a) From 1 May 58 to 30 Nov 58, charges will be raised on the basis of 50 cents for 1,000 gallons. Consumption rates during this period will be:-
 - (i) Officers Quarters - 500 gallons per day
 - (ii) A Type Quarters - 400 gallons per day
 - (iii) B Type Quarters - 400 gallons per day
 - (iv) C Type Quarters - 500 gallons per day
 - (b) From 1 Dec 58 - 31 Jan 59 the consumption rates will remain as in sub para (a) above but charges will be levied as follows:-
 - (i) First 10,000 gallons at 43 cents per 1,000
 - Next 20,000 gallons at 61 cents per 1,000
 - (c) From 1 Feb 59 - 30 Jun 59 the charges will as per sub para (b) above but consumption rates will be as follows:-

- (i) Officers Quarters - 500 gallons per day
- (ii) A Type Quarters - 200 gallons per day
- (iii) B Type Quarters - 250 gallons per day
- (iv) C Type Quarters - 300 gallons per day

3. As from 1 Jul 59 charges will be levied at flat rate of 60 cents per 1000 gallons until 30 Sep 59. Consumption rate as per sub para 2(c).
4. The question of charges after 30 Sep 59 is yet to be resolved.
5. In order to recover amounts outstanding from individual members Paymaster Aust Army Force will raise debit notes, as required, for insertion in paybooks. These debits will cover the period from 1 May 58 until 30 Jun 59. Thereafter debits will be raised at the end of each month. Amounts already paid by members, for monthly bills raised during the period May 58 to Jun 59 will be taken into account when debits are compiled.
