HENRY

BICKERTON

12th Battn.
Bickerton, whose name or number I do not know was killed outright about 7/8 Oct.1917 in support trenches at Passchendaele. This was the day we came out. We buried him straight away. We were under heavy shell fire at the time and the grave was not marked. He was an Englishman and married in England just before going over to France. He came to France about May or June. He was in the 21st or later 20th Reinfs.
