Byerley and Baker were both in the charge on Aug 23. In this charge the men only got two thirds of the way to the Turkish lines. many fell. The remainder had to retire. The bodies of those who fell were left out. The Turkish fire set alight to the scrub. Byerley and Baker must have been either shot or burnt to death. They were never seen again.

Informant states that casualty was killed at Quinn's Post, Anzac, about the middle of June, at 5 o'clock in the afternoon. Informant saw casualty shot dead in the trench. He was buried at the foot of a hill leading to Shrapnel Gully on Quinn's Post side, near the water tank at the foot of the Big hill. Informant further states that casualty bled to death He was hit in the right shoulder, and the bullet came out of the left side. He died in two minutes. There was notime to get him to the dressing station. Informant was a mate of casualty.
