"Killed in Action 11.11.16"

Pte.Buckley was killed at the same time as Sgt.Taylor. We were in the trenches near Flers when a high explosive shell fell near us and killed Sgt.Taylor, Pte.Buckley and 2 others. Death was instantaneous, due to concussion. We were unable to mark the spot where all four were buried at the time, but later on 2 crosses and a railing were erected by the Company.
