B.E.F., FRANCE.

Dear Sir,

We have received from our Melbourne Bureau an enquiry for you.. The last they heard was that you had rheumatism in November.

We have been informed that you were at Tel-el-Kebir in April last and, therefore, suppose you are now with your Battalion. We should be glad if you would let us know for certain that you are, and also communicate with your friends in Melbourne, who are anxious about you.

Yours faithfully,

Secretary.
