Dear Sir,

You may not be aware of the fact, but you have been wrongly reported missing 8-8-16.

Naturally this has made your friends anxious, as a result, we have had a cable from our Melbourne Office asking for news of you. We have cabled saying you are no longer reported missing, but we should be very glad to hear from you confirming this and we hope you will also write home and relieve your people's anxiety.

With best wishes for your safety,

Yours faithfully,

W 78
