The Registrar,
Springfield War Hospital,
Upper Tooting, S.W.

January 29th, 1918.

Dear Sir,

We would be extremely grateful if you would let us know whether you have any record of

3427 Cpl.WILLIAM FREDERICK CHURCH, 1st Division Amm.Column. A.F.A., A.I.F.

Having been an inmate of your hospital in the early part of 1917. This man was officially reported as having died of wounds in France on 23.9.16 but his relatives in Australia have heard from unofficial sources that he was admitted to the Springfield War Hospital, in an unconscious state subsequently to this date, and have asked us to make all possible enquiries into this report. Though we are afraid that it must be incorrect, we would very much appreciate your help in the matter and your kindness in finding out whether there is any trace of an Australian of this name on your records.

With apologies for troubling you and thanking you in anticipation.

Yours faithfully,

Vera Deakin

SECRETARY. D. M. B. for M. P.
