"Killed in Action 4.10.17"

re 616 H.C.Dickins. I regret to inform you that I am unable to supply any information as I have no knowledge of such a man in C.Coy. though I have been with them for the last 2½ years. There was a Sgt. Dickins who belonged to C.Coy. 24th Battn. who was killed on the 9th October at Ypres. You would get quick and accurate information if you communicate with C/M/S.V.Rolle C.Coy. 24th Battn France.

Dickins was I believe the C.S.M. of C. Coy. I did not know his initial or no. He was the only man called Dickens in the coy. He was dark, clean shaven, about 5ft. 9. and from 30 to 32. I dont know if he was married. I saw his dead body in one of our trenches at Ypres on 4th Oct. He was buried close to where his body was found. I saw the cross which was made for his grave.

"I knew Dickins. He was a Sergeant. He was killed by a shell at Daisy Wood (Broadseinde) near Ypres. He was buried by a burial party I know, so there ought to be a record of where his grave is."
