Dear Madam.

Our representative in Berlin while going through the German records found a card with particulars of Captain KENNEDY's death. He forwarded it to us, as he thought his relations might like to have it. If you would care to do so and will let us know we will be very pleased to forward it to you, but as we are not quite certain of your address we did not like to risk entrusting it in the post before hearing from you.

Yours faithfully,

(Miss)
