"I knew Casualty. He was a man about 5 ft. 6 ins. well built, fair complexion, about 20 years of age. Casualty was coming from the Co.'s Office to the front line Houplines, when a whizz bang exploded near him killing him instantly. I did not see Casualty killed but I saw him 5 minutes later. He was very severely wounded about the face and chest. He was taken to the Advanced Dressing Station and I do not know where he was buried."
