(WOUNDED & MISSING 1.6.18)

It was the second day of the Amman stunt, we were being attacked in the morning about 10 o'clock. He was shot through the stomach by a rifle bullet. Was attended to by the Doctor at once. We were advancing and he could not be moved. I heard that he died shortly after being hit. Was a tall, slim boy, about 18 or 19. Came from Gippsland way. Was very well liked.
