Dear Sir

I am enclosing a photo of my son who has been missing since 11th April & as we cannot get news of him from anywhere, thought perhaps some lad who would know him by sight & not know his name might be able to give us some news of him.

He had not long joined his Batt after being wounded at Zillebeke, when he was missing I hope I am not giving you too much trouble, but dear hearts are just longing to hear something of our treasure.

Trusting you receive this safe & it will be the means in God's & your hands of easing our suspense & praying God will ever Bless

you in your efforts to bring rest
to all the aching hearts of the
suffering friends of our precious
boys

I remain
yours resp
