"Killed in Action 12.5.17."

He was killed at Bullecourt in Action by High Explosive shell at entrance to Dug-out with 3 or 4 others. Death was apparently instantaneous, and was burkied when he was killed, but cannot say if cross was erected. I did not see him actually killed, but saw his body same day . Was known as Mick, was of slight build and dark age about 23 or 24 . Came from Bendigo Victoria. Informant knew this man in civil life and intends seeing deceased people in Australia Was not an eye witness.
