Dear Sir,

Your enquiry re your brother No. 2563. Cpl. W.F.Faulkner 11th Battalion A.I.F. has been forwarded to us by the D.I.C.S. as we deal with all Australian enquiries.

We regret to say that the only unofficial reports we have are very contradictory. Sgt. R. B. Walker, 11th A.I.F. states

" I was speeking to a mate of Faulkner's Pte. W. Glossop who
" informed me that he received a letter from Faulkner. He
" said that Faulkner was in hospital in England. I saw
" Faulkner myself leaving Pozieres limping and going down to
" dressing station about 25th July 1916. Pte. Glossop was a
" postman attached to Head Quarters of 11th Battn. and was one
" Somme front when I left France."

No. 3959. Pte. S.T. King. states:-

" Faulkner was in D. Coy. and informant was told by Pte.
" Leahy of A. Coy. M.G.S. that he was killed about August
" 25th. at Pozieres. He was neither killed outright by a
" piece of shrapnel which struck him in the back of the
" neck. It was the night before the attack"

As we have been quite unable to trace him and you know the official report is still "Wounded & Missing" though no date is given, we fear that this last one may be the truth.

Probably you may know whether the first report is likely to have any truth in it.

We are so very sorry to send you such indefinite reports and deeply sympathy in your anxiety & trouble.

Yours faithfully,

D.M. for E.V.

Secretary.
