Thomas Faulks

29th Battalion

1040804H

29th Battn: Faulks, T. 5251.

M.bel: Drowned 3/8/18.

I was in the same compartment of the train travelling from Treport to Havre and we went on board the S.S. Warilda together but were placed in different wards. After the explosion we were put on Destroyers. When we landed at Southampton all the Australians were placed together in one square, I searched it thoroughly but could find no trace of Faulks.
