Dear Sirs

I would be greatly indebted to you if you could find out - if my son - 8/14543 Pte J Fullerton

Boy. 1st Black Watch - attached 2nd Australian Tunnell. Coy - is a prisoner of war.

He has been missing for 2 or 3 weeks - and is supposed to be a prisoner - but we know nothing definite - and are therefore very anxious.

So I should be very grateful if you could help me to find out anything about him.

Thanking you in anticipation

I remain
