DOW 5.5.17.

I did not see the actual casualty, but Isaw him dead soon after it happened. He was hit about the back with shell fragments, and lived only a little while after being hit. He was in a semiconscious condition all the while. I knew him very well, he came from Queensland. Casualty happened at Bulleceurt on the 4-5-17. He was buried in the Military Cemetery at Vaulx, I saw the grave and it was marked with a Cross, bearing his No., name and unit.
