Dear Pte Jarvis,

We have been making enquiries for your brother -

1612 H.T.Jarvis, 52nd Btn A.I.F.

reported M. 4-9-16, and have been told that you had received a letter from your brother, written as a Prisoner of War in Germany. We should be very grateful if you would write and tell us if our informant was correct in his statement , and if so, give us the address of the camp at which your brother is interned. His name has never come through on any of our official lists of Prisoners of War, and he is therefore, not receiving any of the Weekly parcels of food and comforts send by the Prisoners Dept, of the Australian Red Cross, to every Australian known to be interned at a definite address in Germany; and we are anxious if he is indeed a Prisoner to have his address, without any further delay, in order that the parcels may at once be sent him.

An unofficial report we received stated that you yourself had received the letter frm your brother, but another informant stated that your people in Hobart had received the letter from him, and had written to tell you this. If this is so, and your relatives had omitted to tell you from which camp your brother wrote, would you still write and tell us, as we would cable our Hobart Bureau, to interview your relatives and obtain the address, in order to cable it to us, and so save any further delay.

We had written you in November of last year, asking if you had any information of your brother, but possibly this had not reached you.

With best wishes,

Yours faithfully,

V. P.

Secretary
