6343 Private Stanley Arthur Ernest Lightbody

21st Battalion

1600609M

21st Battn.
A.I.F.

LIGHTBODY,
S.A.E. 6343

"Killed 4.10.17."

Lightbody was in C.Coy. I saw him lying dead going up to Passchendaele about 200 yards ahead of the line from which they hopped off. I was going past with a carrying party (Engineers) and could see his face distinctly in the shell hole but could not examine him then and did not get an opportunity later as I was wounded myself shortly afterwards . He was dead when I saw him.
