HALONEY
Pte J.R. 4495

"Died"

H came in from France Dec.3rd. He was very emaciated and weak only just able to walk. He had a bad cough and also very severe diarrhoea. Everything possible that we could think of was done for him. Mr,Godwin, F.R.C.S. Senior Surgeon to the Hants. County Hospital kindly came and saw him in consultation. Haloney had Consumption of the Bowels of a very acute type. He suffered little pain and by careful feeding the diarrhoea was kept within bounds. He died Dec.16th 1916 at 6 p.m. Next day an examination of the bowels was made, the diagnosis made was confirmed. Pte Haloney was buried by the Hospital staff and his Australian Comrades. Service in Hursley Parish Church and he was buried in the local cemetery with Military Honours. An Australian Medical Officer Capt.M.Clarke and the Rectorm Rev. G.Husband have written to his family giving full particulars and his last messages.

Dear Sir,

We have received an anxious enquiry from Melbourne dated 27.12.16. asking for particulars of the illness, death and burial of No. 4495. Pte. J. R. Maloney, 22nd Battn. A.I.F. who they believe died at the Hursly Camp Hospital.

We should be very grateful if you would let us have a confirmation of this man's death as we think there may possibly have been some confusion with another of the same name. If you are able to verify his death would you also be kind enough to supply us with the particulars of his illness and death so that we may reply to the letter from Australia.

Thanking you in anticipation.

Yours faithfully,

Vera Deakin.

Secretary.
