"Died July 24th 1916"

At Pozieres, on the 24th July about 4.30 on Monday morning in a support trench, he was hit by shell - left half of leg was blown away. I handaged him up carried him away on the stretcher and did everything for him, till he died, about half-an-hour after he was hit. We got him to the dressing station on the road - think he was buried in Sausage Gully.
