"D/W Aug. 10/18"

Very short and thick set, fair, with straight hair,
clean shaven, about 24 years of age.

Near Hammel we were going over the top at about 3.30
on 10th August. He was in front of me and later I passed
his body and I'm sure he was quite dead. I was wounded
myself shortly after, so did not have a chance to gather
further information.
