Rustin was in same section as I, and was killed just behind me by a shell close to Anzac House. I did not actually see him killed but they told me he was killed outright. I was evacuated that night through wounds.

"Killed 20/9/17"

I knew Rustin well, he and I were in C. Coy 1X Platoon his name was Tom, he was short thickset, fair and married and was a Corpl. He was killed outright opposite Anzac House, close to Polygon Wood, just off Menin Road on 20/9/17 I saw his body about 2 p.m. he had been killed earlier in the day. I passed quite close to him, and went over to see him. He had been killed outright by a shell. We held this position but as I was wounded that night I do not know where he was buried.
