"Missing 7.9.16"

At Messines not far from our objective behind Fritz' front line.
I saw him drop. I went on a bit further and got hit. Came to
shell hole near him when stretcher bearer came over and said he
was just done. He was in my platoon. I know the stretcher bearer
took his dressing out of his pocket which proves he was done.
We were not driven back from this ground.

Witness:-

339 Morris

W.34. Harefield.

B. P. Dickson.

London.
15.9.17.
