THORN, R.S. 3821.

H. July 24th, 1916.

His casualty date should be July 24th, 1916. He was guiding Major Shaw about the trenches at Pozieres on July 24th, 1916 (not 1917 as given). He left us and went back to have a shot at a sniper who was worrying us. While attempting to do so he was shot through the head and killed outright. This was reported to me the day it happened. His body was buried just at the rear of Battn HQ at Pozieres. This was reported to me also. He belonged to C.Coy.
