The information this morning
is that he has a fractured
femur - He is generally
septic & very bad -
Not likely to do well

T.O.

About a week ago the
Australian Red Cross in
London wrote to us about
this man. We had a
very bad account of his
general condition when
we required - They know
this.

Dear Madam,

The Wounded and Missing Inquiry Bureau has received a cable from our Perth Office urgently requesting all possible particulars concerning:-

1918 Plt J. Treweek 34 Bl

We believe that this soldier is at present in the 14th General Hospital in a serious condition and should be grateful therefore if you would make a point of seeing him as soon as possible, forwarding full particulars as to his health and spirits until he is removed from the serious list to:-

The Secretary.

Wounded and Missing Inquiry Bureau,
at this address.

We are assured that all personal details which you could obtain would be greatly appreciated by the anxious relatives in Australia.

Yours faithfully.

FOR THE COMMISSIONERS.
