W.M. May 5-8th. 1917.

He was in D. Coy and comes from Winyard, Tasmania. He was near me when he got wounded in the ankle as we were going up for the Bullecourt stunt. I think that you will find that he is not missing but is in England. There is no reason why he should be missing.

Wounded & Missing 5/8. 5. 17

I saw him about five weeks ago with his Battalion, and he was then quite well. I knew him well. He was the only man of that name in the Battn, and am sure this is his number, and am certain he is the man referred to. The Company was scattered on that date, and this accounts for him being posted missing.
