He was a personal friend of witness, who made special enquiries
for him and learned that he had been invalided to England,
suffering from severe wounds in the arm. Witness gained this
information about August from a man who gave him to understand
that he had seen Renn about July at either Bristol or Weymouth.

Both witnesses knew Renn and both think he is now in England. They cannot point to any evidence whereby they can prove this fact, but they are both intelligent responsible men. S/H Singleton was told by Cpl Thompson, 439, B Co, 1st Battn.
