RAMSAY - Pte. J.E.
No. 2433.

"Died of Wounds 15.7.18."

Informant states that he knew Ramsay well and also knows his family. He said that Ramsay was a fine fellow, who on account of some worry committed suicide by shooting himself. It is particularly desired that the family be kept in ignorance of how Ramsay met his death, and Informant suggests that his name be eliminated from the enquiry list.

Ramsay was a shearer and a mate of mine. I was away on leave and when I returned to France I asked for him and was told he had shot himself with a rifle. It was after the 2nd Villers Bretonneux. He was billetted with the Unit near Villers Bretonneux at the time. He was probably buried in the Cemetary near Villers Brettoneux about July 15/18. He left a note stating he had bad health and could not stand it any longer. Cpl.H.Hooker D.Co. 33rd Btn. 13th Pltn.(is now on Cadre in France)gave me the information - he was in charge of the Pltn at the time.
