"Died of Wounds"

He was admitted here suffering from very severe G.S.W. of thigh and buttock on the 12th of June. There was no hope of his recovery Everything that could possibly be done to save his life was done and he received every care and attention. If you write to the Graves Registration Committee B.E.F. they will tell you where he was buried. I think his mother was notified by the sister in charge or the Chaplain. - Mrs.Scott, Coronation St., W. Footscray, Victoria is the address we had. Spr. Scott died 12th June at 8.45.p.m. same day as admitted.
