Near ~~Monsart~~^{U.S.} Farm I saw him dead in ~~the~~ trenches
he looked as if a shell had killed him. It was while I was
crawling down the trench he was in my platoon and I knew him
allright. It was about 7th August.

I had just left the Bay to get some bombs and when I came back I was dumbfounded though I knew I had to expect something. A German 9.5 shell had buried and killed Sharp, Ronald, Deckrith? and another man. When we dug them out they were hardly recognisable.
