Ross.
W.P. 2966.

Killed 30-8-18.

I knew him casually. I know nothing of his death. But I came upon two graves sideby side on the Battlefield close to Barlaua near Peronne. Both had crosses giving particulars of the dead beneath. One was Ross. W.P. and the other was Street from the same company. I don't know the latter's initials. We always called him Streety. (No reference)
