"Died"

The Sister in charge had already written to the nearest relatives of 2412 Pte A.P.Wheatley giving all particulars of his death. We always make it a rule in this hospital to write at once unofficially to the relatives of deceased patients if none of them were able to be present at the time of their death, Pte A.P.Wheatley is buried at Durrington Church Wilts. Grave. No.190 right hand side of cemetery path. Pte Wheatley came in to hospital very ill with pneumonia and was unconscious towards the end of his illness and I am sure it will be some comfort to those who loved him to know that he was not conscious of his sufferings although he was too ill to leave any message. He died 11.2.17.
