"Note to Melbourne"

In reference to our cables of 30-1-19 and 3-2-19, which contradict one another as to the date and place of disembarkation. The statement "arrived today re Amesie" was received by wire 24 hours before the information from Central Prisoners of War Comm: and was taken as an unexpected message from the soldier, as we had no other A.Weir on our enquiry list. The soldier who sent the message has just come into the office and explained that it was a private message to the Secretary, who is on present on holiday. - 3-2-19.
