A. I. F. 30th Bn. WILSON, J. 2190.

Died Aug.28/18. Det.D/B.

Wilson was a short dark chap, not more than 5'7" and probably about 24 years of age. He came from Kurri-Kurri in the Maitland District of N.S.W.

He was killed by shrapnel though he did not die until they got him to the C.C.S. He was buried at a place called Daours where there was a small Cemetery attached to the Station. I did not see his grave myself, but some of the chaps in the Battn. told me all about it and he has a brother in the same Coy. who saw his grave afterwards, so there can be no question about it. I believe the brother is now in England.

"Died 28-8-18"

I know Wilson was killed at Vignacourt. He was runner to the Battalion at the time and was taking a message to the Platoon Commander. He got hit in the stomach by a bullet and was taken to the Casualty Clearing Station to Daours. He was buried in the Military Cemetery at Daours. I think next day, it was about end of August.
