1.A.I.F. (Mil.List).

Some mistake has been made in the entries concerning this man. In the list issued by the Australian Military Office he appears as L.Wright, 999, of the 1st A.I.F. and as Missing June 25th. In the list printed at Cairo by the British Red Cross he appears as Louis Wright, 999 of the 2nd Battalion, and as Missing May 2nd. Pte. Quinn of D.Coy. of the 2nd Batt A.I.F. says that he knew a Wright in D.Coy. who was known as "Loo" Wright. This Wright was wounded four times, the last time being in November. Witness was speaking to him an hour before he was wounded in November, but did not see him afterwards. It was reported that he was taken away in a Hospital Ship.
