Missing 25.7.16.

Informant said Wright was in B.Coy. and was named Sidney ? Zehan (after the town in Tasmania). On July 25th at Pozieres when retiring from the 2nd German line, Informant got tied up in the wire and Wright came by him and wanted to give him a hand to free him. Informant told him to go on and look out for himself and this was the last that he saw of him.
