WROBLESKI.
L.E. 6771.

"Killed 24.4.18."

Wroblesski, who Christian name I did not know, came from Perth, was an agent or importer there, his father lives there and his brother-in-law is Q/M. Capt. Powell of 51st. He was in a pretty big way in Perth and transferred from 28th Battn. to 51st about a month or six weeks before he was killed instantly by a machine gun bullet through the side of his head about 11 p.m. on 24th April standing practically touching me on Fritz wire (originally our wire). I was in charge of the section he was in and flares were lighting up everything. He was carrying ammunition at the time and was IV Platton L/G sec. I cannot say anything about his burial as I was wounded about 1 hour afterwards.
