Sir,

Will you please try and find out for me the exact location and number of the grave of a friend of mine. (His Mother has written to me from Australia asking me to spare no expense to try and get a photograph of it. I know the particulars are very meagre but I also know the capabilities of the R.M.C. & so am not at all doubtful of the result. Name. WANN Frederick,
Instantly (I think) buried at
Steenvorck, near Baillet

before March 1918. He is
from Queensland, and
left there for England early
in 1916.

I trust you will do your
best for me.

Yours faithfully
